# Parallel Workshops: Planning Common Rural Development Measures for 2014-2012

# Vocational Training & Information Actions

# Modernisation of Agricultural Holdings

**Agri-environment**

**Common environmental problems in BSR**

**Real possibilities to solve problems via RDP measures**

**Identify good practices (existing/new) common measures / sub-measures /**

**Baltic COMPASS**

Judgements about **'relative efficiency'** (modelling & measuring)

**Baltic DEAL  
Baltic MANURE**

**Common baseline?**

National vs. international

Start process of **joint design** of common measures

How/when to engage with farmers?

**Lots of related issues!**
