

Nature learning project

Background

Nowadays children can be very far away from the nature. They don't recognize the animals and they might be afraid into nature.

Hunting clubs also would like to have youngsters in their actions.

Objective

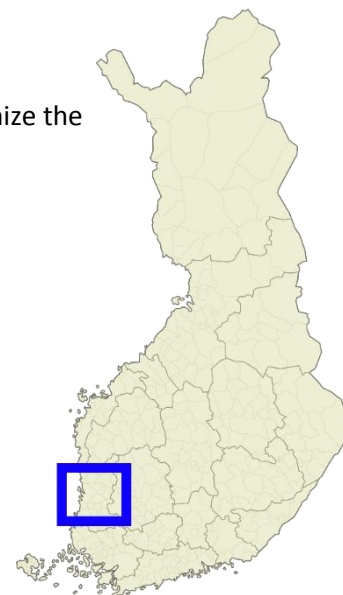

Actions

Local Actions

- tourism
- marketing
- youth network

Joint Actions

1. Youngsters Camp
 - game animals protecting and caring
 - knowledge of Nature
 - photographing+ tourism
 - trofee
2. Exchange of Hunting culture
 - hunting camps together
